# Mahamudul Hasan Rubel

Full-Stack WordPress/PHP/Laravel Developer | WP Plugin & Theme Developer | Technical Project Manager | Team Leader | Open-Source Contributor

Dhaka, Bangladesh

## Summary

Experienced Full-Stack WordPress Developer & Team Leader

14+ years in web development | 8+ years specializing in WordPress, PHP | 1+ years in Laravel | Technical Project Manager | Team Leader | Open-Source Contributor

I craft high-performance WordPress solutions, from custom plugins/themes to scalable SaaS products. As a Founder of RactStudio and Team Leader at JoulesLabs, I've led teams to deliver projects like ReviewX (WooCommerce SaaS plugin - JoulesLabs) and Essential WP Tools (all-in-one optimization toolkit - RactStudio), trusted by thousands of users.

### Key Expertise:

- # Full-Stack Development: PHP (OOP), MySQL, JavaScript, REST/OpenAI API Integration
- # WordPress Mastery: Plugin/Theme Architecture, Performance Optimization, Security
- # Leadership: Managed 5+ teams, mentored developers, and drove projects from concept to launch
- # DevOps: AWS/Google Cloud, Linux Server Administration, CI/CD Pipelines

### Recent Focus:

Expanding into Node.js, React.js, NestJS, NuxtJS & Next.js to build modern, dynamic applications.

Passionate about bridging cutting-edge tech with WordPress ecosystems.

### Let's Connect If You Need:

A developer who transforms complex challenges into elegant solutions.

A leader with a track record of fostering collaboration and delivering results.

An innovator passionate about open-source contributions and scalable tech.
